From here, select "No, I do not have a key":

Yes, I have a key: If you already have a student/any students enrolled in the school a Registration Key has been created and has been sent to you already. Select this option and enter the Registration Key. The system will automatically create your Family (household) Account and connect student Member Profiles.

No, I do not have a key: Take me to more options for finding or creating an account.

You will arrive to this section, where you will enter one of your Student's ID and DOB and select "Connect Family". This will allow you to proceed to the next step:

It is recommended to add a funding source now, but not required. You can skip the step at the bottom of the page if you would like:

We highly recommend setting up a funding source now. You will be able to use this funding source on any of the EduTrak Software applications. EduTrak Software does not store your credit card or bank account number, we only store a tokenized reference to your account that can be used through our secured gateway.

Please enter credit card information:

You are now registered! Select either the cart icon or select "Go" for the Checkout Module:

This will take you to the Checkout Module that has all of your students and fee items. Select "View FACS Items" to view the fees:

You can select the appropriate items by clicking "Assign" to add them to your student's cart:

Once everything has been added, you can select "Checkout" to continue and pay. If you would like to remove an item from your student, you can select the trash bin icon next to the applicable item. Once you refresh your page, it should return in the bottom section:
