FAITH ACADEMY CHARTER SCHOOL ~ OPENED AUGUST 23, 2021 ~ PATRIOT STRONG

American Education Week: November 15-19, 2021

During the month of November, we take a moment to salute our Veterans on November 11 and to celebrate public education and educators during American Education Week. It is a time to honor the individuals working to ensure that every student receives a quality education. Each year, it is celebrated the week prior to Thanksgiving honoring the team of workers in our nation's public schools from bus drivers, to cafeteria workers, custodians, classroom teachers, and support personnel, as well as administrative staff. This observance originally began with the National Education Association (NEA) and the American Legion joining ranks to generate public support for education with the first observance occurring one hundred years ago in 1921.

Faith Academy Charter School celebrates our faculty and staff on this one hundredth year of the observance of American Education Week during our own inaugural year! We are fortunate to have an amazing and stellar staff. Let's all join together in sending thanks and "Kudos" to each member of our Faith Academy Charter School team! Following, are a few astonishing facts regarding our high-quality school staff.

Faith Academy Charter School - High-Quality Staff

Instructional Staff: 39

- * 35 are certified
- * 14 of the 35 certified staff have Master's Degrees
- * 3 of the 35 certified staff have Administrative Degrees

Thanks to the Faith Fire Department for visiting our school on October 14 to share with us about fire safety and prevention. Fireman Tyler Heilig also spoke with kindergarten, first and second graders about the job of being a firefighter and explained about the tools and equipment used as he showed the students around the firetruck. **THANK YOU!**

Thank you for the United States
Flags for our classrooms!*

Thanks to some very special “pumpkin elves,” our kindergarten classes experienced a pumpkin patch in their own front yard! We were unable to take a trip to visit a pumpkin patch, but instead, the pumpkin patch came to us. On October 27, the front reading garden area was bedecked with more than 80 small pumpkins just waiting to be plucked by 80 excited, energetic kindergarten students. Smiles, chuckles, and “oohs” could be heard amid dashing footsteps to select just the right one to take home! Many thanks to those of our Faith community who made this magical pumpkin patch appear for our kindergarten students!

**GIVE
THANKS**
FAMILY • FRIENDS • GRATITUDE
