

****We are hiring high school teachers for all core subject areas. All core subject area teachers are encouraged to apply.****

FACS HS Teacher Job Description

Performs difficult professional level service providing a wide variety of educational services or implementing a specific learning program, aiding students to develop skills, traits, attitudes, and knowledge needed as a foundation for the student's future as best fits each student's ability. HS teachers will utilize a variety of teaching and learning methods, with a specific focus on project-based learning at various levels, and related work as apparent or assigned. HS Teachers' work is performed under the general supervision of the HS Director.

Interested applicants can complete this [application form](#) and send a cover letter, copy of your NC teaching license, two written letters of reference and resume to Chad Mitchell at cmitchell@faithacademync.org. For more information, visit <https://www.faithacademync.org/employment>
